# Girls Day Out: Expression Of Unity & Empowerment

**Mumbai, August 10th 2024: Sealmatic India Ltd, listed on the Bombay Stock Exchange (BSE:BOM: 543782)** recently hosted a special lunch for all its Girl Power Team at the Fairfield by Marriott, an event that beautifully captured the spirit of camaraderie and empowerment. The gathering, hosted by Mr. Umar Balwa, Managing Director of Sealmatic, was not just an opportunity to enjoy the exquisite cuisine offered by the hotel, but also a chance for everyone to connect on a personal level, away from the usual business discussions.

It was during these informal discussions that the team discovered the hidden talents among their colleagues. The girls of Sealmatic showcased a range of skills and interests that extend far beyond their professional roles in Design, Finance, Sales, R&D, and Quality Assurance. This shared experience reinforced the strong sense of teamwork that exists within the company, showing that the bonds formed at work continue to flourish outside of it.

*At Sealmatic our goal remains persistent, to support and empower each woman to achieve her best, both professionally and personally. This luncheon was a celebration of the strength, talent and resilience of the women who contribute so much to the success of our company.,* ***says; Umar AK Balwa – Managing Director, Sealmatic India Ltd.***
